Dear Erica & Michael :

RE: AIRS test battery of singing skills across the lifespan

Congratulations! Your honours project has been approved by the Department of Psychology Research Ethics Committee. We would like to thank you for the diligence and thoroughness with which you addressed each of the issues raised in the preliminary review. Good luck with your data collection!

Yours sincerely,

Stacey L. MacKinnon, Ph.D.
Associate Professor of Psychology,
Chair, Department of Psychology Research Ethics Committee.
